

QUATTRO LP1820RGBL

Aluminum body for durability & efficiency !

FLICKER FREE #Superb Heat Dispersion #RGBL

QUATTRO LP1820RGBL

Power

Input Voltage: AC100-240V 50/60Hz

Rated Power : 400W

Optic

Light Source: 18 x 20W RGBL

Lens angle: 10 / 25 / 45 / 60 degree

Average lamp Life: ≥50,000H

Color

Uniform RGBL color mixing system and rainbow effect

Effect

4 built-in programs

Fast electronic strobe 1-25 Hz

Dimming : 0-100% linear dimming

Control and Programming

Control channel: two channel modes (5/8)

Protocol: Standard DMX512 protocol

Data connection: three core input/output

Display: digital display operation panel

Other

Protection class: IP 20

Working environment: -15°C~45°C

Size and Weight

Lamp size: 287mmx190mmx284mm

Net weight: 4.5 kgs
