

ALS X BEAM+ 420 equipped with newly developed Osram 420 Watts high-brightness and long lifespan lamp (3000 hours). With advance optical system, its achieves over 650,000 lux@ 10 meters!, ALS X BEAM+ 420 comes with 14 colors+ open, 17 Static gobos & 3 prisms on 2 independent stack-able prism wheels to create multiple different spectacular prism effect . (PRISM KING) !
ALS X BEAM + 420 is suitable for various applications from indoor to any large outdoor event ,concert & etc.

420W Beam Moving Head

Light Source
OSRAM HRI 420

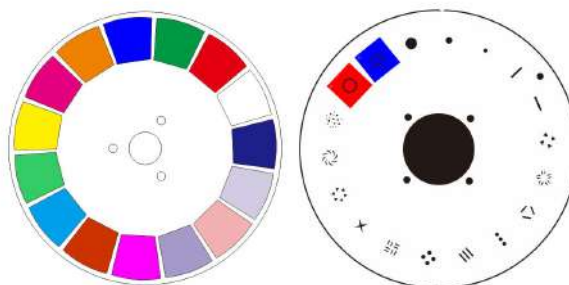

Light Output
650,000 lux @ 10 M

Beam Angle
1.8°

Effects & Functions
14 Colors + White, 7 multi colors effect, 17 static gobos + open,
2 independent Prism Wheels consist of 3 Prisms,
Superb Beam & Flower Effect, Frost function.

TECHNICAL SPECIFICATIONS

- # Lamp:OSRAM HRI 420
- # Power: 110-240V,50/60Hz; 520W
- # Color wheel: 14 colors + white, With half color + rotating 6 color rainbow effect
- # Gobo wheel: 17 gobos+open
- # Prism : 2 prism wheels , stack-able to form multiple prism effects
- # Prism wheel 1: (6+12)facet combined prism, 6 linear prism, Frost Function
- # Prism wheel 2: (8+16+24)facet combined prism
- # Dimmer : 0-100% linear electronic adjustment
- # Strobe: support mechanical strobe and adjustable speed strobe effect,support strobe macro function
- # Lens optical system:, motorized focus,Frost Function.
- # Beam angle : 1.8 degree, Beam size : 165mm
- # Brightness: 500,000 lux @ 10 meters,
- # Control Mode :RDM,DMX 512,Auto-running ,Master/salve, Sound active
- # DMX Control Channel: 17 Channels
- # Built-in program Packing size: 400*325*670MM
- # Pan : 540°; 8Bit/16Bit Tilt : 270°; 8Bit/16Bit; auto X/Y repositioning, fast, quiet and smooth
- # Fixture size:W 310mm x H 535mm x D 270mm
- # Net weight: 16KG
